The split will be implemented by way of a subdivision whereby unitholders will receive an additional one-half of a unit for each unit held (i.e. one additional unit for every two units held). On September 14, 2016, the additional units required to give effect to the unit split will be issued to unitholders of record at the close of business on September 6, 2016. Any fractional units to be issued to registered unitholders as a result of the unit split will be rounded up to the nearest whole unit. Brookfield Infrastructure's preferred units will not be affected by the unit split.
