

## NOTICE TO MEMBERS

No. 2006 - 014

January 31, 2006

### SUNCOR ENERGY INC.

#### ADDITION TO THE LONG TERM OPTION SYMBOLS

Bourse de Montréal Inc. (the Bourse) and Canadian Derivatives Clearing Corporation (the CDCC) hereby inform all option participants of the possibility of an upcoming symbol addition for new series of long term options on Suncor Energy Inc. (VSU 2007 and LSU 2008).

Due to recent price fluctuations of the underlying for VSU/LSU and the lack of strike price alpha codes to identify each series, the Bourse and the CDCC will create new symbols – **VSX 2007 and LSX 2008 – for all additional options strike prices of one-hundred and ten dollars (\$110.00) and above.**

For further information, please contact Richard Bourbonnière, Vice-President, Market Operations, Bourse de Montréal Inc. at (514) 871-3548 or CDCC's Operations Department.

Michel Favreau  
Executive Vice-President and Chief Clearing Officer
