

NOTICE TO MEMBERS No. 2006 – 021 February 8, 2006

# **Trading by U.S. Residents**

This is a reminder that it is a requirement of registration with the Securities and Exchange Commission, and by individual state securities commissions, that CDCC report all CDCC Options transactions entered into by U.S. residents.

It is essential, therefore, that every CDCC Clearing Member report to us, on a monthly basis, all trades by U.S. residents. Please use the attached form which reflects the current reporting requirements for the state securities commissions. No report is required if your firm did not trade for U.S. residents.

Please note this report must be submitted to the CDCC Toronto office **ON OR BEFORE THE TENTH BUSINESS DAY OF EACH MONTH.**
