The Bourse and CDCC wish to inform you that Penn West Energy Trust (Penn West) and Canetic Resources Trust (Canetic) announced on October 31, 2007 that they have entered into a combination agreement that provides for the merger of Penn West and Canetic to create a trust that will operate under the Penn West name. The Board of Directors of both Trusts have unanimously approved this merger.

Under the terms of the plan of arrangement, Canetic unitholders will receive 0.515 of a Penn West unit for each Canetic unit held. Immediately prior to the closing of the Plan of Arrangement, a one-time special distribution of \$0.09 per unit will be paid to Canetic unitholders. Penn West units will continue to be listed on both the TSX and the New York Stock Exchange.

The adjusted Canetic deliverable per contract is expected to be 51 Penn West units plus a cash amount for the remaining 0.5 fractional Penn West unit.

The merger is subject to stock exchanges, court and regulatory approval and the approval of at least 66.67% of Canetic unitholders. It is expected that the Canetic unitholder meeting to vote on the combination and closing will occur in mid January 2008.
